Dear Judge Parker:

MAY 25 2023

I understand that you are deciding  
on the Drag Queen lawsuit. Wendy R. Oliver, Clerk  
U.S. District Court  
W.D. of TN, Memphis

I urge you to protect our kids  
from sexual perversion and immorality!

You are in a very key position. Please  
do not cave to the bullying and pressures  
from the drag queens and their  
immoral shows.

Children's exposure to sexual images  
leave lasting impressions and result in  
very harmful behavior. Kids will act out  
on seeds of sexual perversion. How many  
thousands of people were abused  
sexually as children? We must protect  
the innocent. Perversion and immorality  
are not healthy to our society in any way!

Please! Please! Please help protect our  
children in TN! My family & I left  
everything in WA state to escape evil  
and tyranny. We don't want to see corruption  
in our beloved new home in TN!

Sincerely,  
Valencia Peters
